

Contract Staffing - Legal

Dominique Amprey. Practice Leader

734.926.2180 | dominique.amprey@vpartners.com

With a network of contacts over 8,000 strong and 15 years of experience in placing legal professionals, Dominique Amprey has the ability to identify her clients' pain points and solve their problems creatively with the right talent.

Here are some highlights of Dominique's background:

- Over \$20 million in awarded contracts
- 20 years of total combined experience in business development and sales
- A strong background in mass communications

In today's business environment, companies must rely on a variety of staffing solutions to meet their organization's needs and objectives.

Is your company experiencing any of the following? Contract staffing may help!

- Growth spurts in your business that requires specialized external resources to partner with existing staff.
- Has a key individual taken a leave of absence, but you still have important work that needs to be done?
- A short-term opportunity that you want to take advantage of without having to resort to a permanent placement solution.

Variant Partners Contact Staffing offers Speed, Results, and Flexibility to support your objectives.

Areas of Placement Expertise:

- Full suite in-house legal staff
- Real estate
- Transactional
- Immigration
- Administrative support staff
- eDiscovery
